	 <p>A screenshot of a currency calculator application. At the top, there's a header bar with a back arrow, the title "Currency Calculator", and a battery icon indicating 100% charge. Below the header, the word "From" is followed by a dropdown menu showing "USD - US Dollar" with a downward arrow. A circular button with a double-headed arrow (down and up) is positioned between the From and To sections. Below the From section, the word "To" is followed by another dropdown menu showing "MYR - Malaysian Ringgit" with a downward arrow. Underneath these dropdowns is a section labeled "Enter Amount" with a text input field containing "USD 500.00". Below this, another section labeled "Amount to receive" shows "MYR 2,313.00". A note at the bottom states "USD 1 = MYR 4.626". At the very bottom of the screen is a large yellow button labeled "Calculate".</p>
